Environmental Art 15.04.2015 – 23-04.2015, Gibellina, Sicily, Italy

GENERAL INFORMATION

The project “**Environmental Art**” is a youth exchange organized within the framework of Erasmus plus Programme (Nr. 2014-3-IT03-KA105-004378), with the financial support of the European Commission, that will be implemented in Gibellina, Trapani, Sicily, Italy between 15 April - 23 April 2015.

Summery Project

The project called "ENVIRONMENTAL ART" will be implemented in Gibellina (Trapani). It starts 15th April and lasts 7 days.

In general the project wants to Encourage active citizenship among young people in Europe, promoting youth participation in the building of Europe and the development of youth work as an important element of civil society.

The aim is to produce garden space, debates, spread european campaign, visits and intercultural events which will be performed in a variety of locations at Gibellina. 16 young people will take part in regular garden workshops, debates, rule play, and in the production itself.

Each young person in the group will have a specific task, such as communication, publicity, photo, management of rule play, lead garden activities, organize meeting in the school and so on, for which they will be responsible.

The project is entirely initiated, designed and implemented by the young people themselves that collaborate with consortium.

The project will help the participants to encourage their autonomy, creativity and a spirit of enterprise among young people, particularly in the social, civic, cultural and environmental contexts.

The project focuses on education for local, regional, national and European citizenship, particularly through the establishment of an Internet site to inform other European countries of the project's creation so that they can develop it in their own towns and cities and communicate with other young Europeans.

In particular So the project wants create a connection between Art and Environment recalling the path started by the Major Corrao after the earthquake in order to create for Gibellina a new identity.

These activities will create a positive impact for the community in general at local, and an important impact at national and european level thanks to the diffusion of the results through the participants.
